

Interplay between Particle and Astroparticle Physics (IPA 2014)

Monday 18 August 2014 - Friday 22 August 2014

Queen Mary University of London

Scientific Programme

The scientific programme includes

Inflation & cosmology

Dark Energy

Dark Matter

CP violation and antimatter searches

Neutrinos

Charged leptons & leptogenesis

Early Universe

Higgs and Baryogenesis

Energy and intensity frontier searches for physics beyond the standard model

Ultra High Energy Exploration
