Welcome to the Queen Mary University of London

Dr Alex Owen
r.a.owen@qmul.ac.uk

Welcome to the Pathology Museum @ QMUL Westsmithfeild Campus

- Arguably the oldest QMUL Campus

- Colocated with St Bartholomew's Hospital Founded 1123

- St Bartholomew's Medical School recognised 1791

- Pathology Museum opened in 1879 Grade II Listed in 1972

Our Foundations

London Hospital Medical College (1785)

St Bartholomew's Hospital Medical College (1791)

Westfield College (1882)

Queen Mary College (1934)

Renamed Queen Mary University of London (2000)

Queen Mary joins the Russell Group (2012)

Whitechapel

Westsmithfield

Hampstead

Mile End

Mile End Campus

- Our largest campus in the East End of London

- First computer arrived in 1968

- https://youtu.be/qd-W3pyMP_Q?si=UKlqAA89Jkg7ivQO

Our First Computer: "The Computer" 1968

- First computer arrived in 1968 ICT1905E

- Several parts craned into fifth floor of Maths Department

- Most valuable container cost ~ £80k (~£1.2M in todays money)

- https://youtu.be/qd-W3pyMP_Q?si=UKlqAA89Jkg7ivQO

- The film is very much "of its time"!

Newly refurbished research data centre (2024) with heat recovery

GridPP Cluster ~20 PB + ~15k CPU

Enclosed hot aisle with in-row coolers

Upto 500 KW of heat re-used for hot water and heating across campus
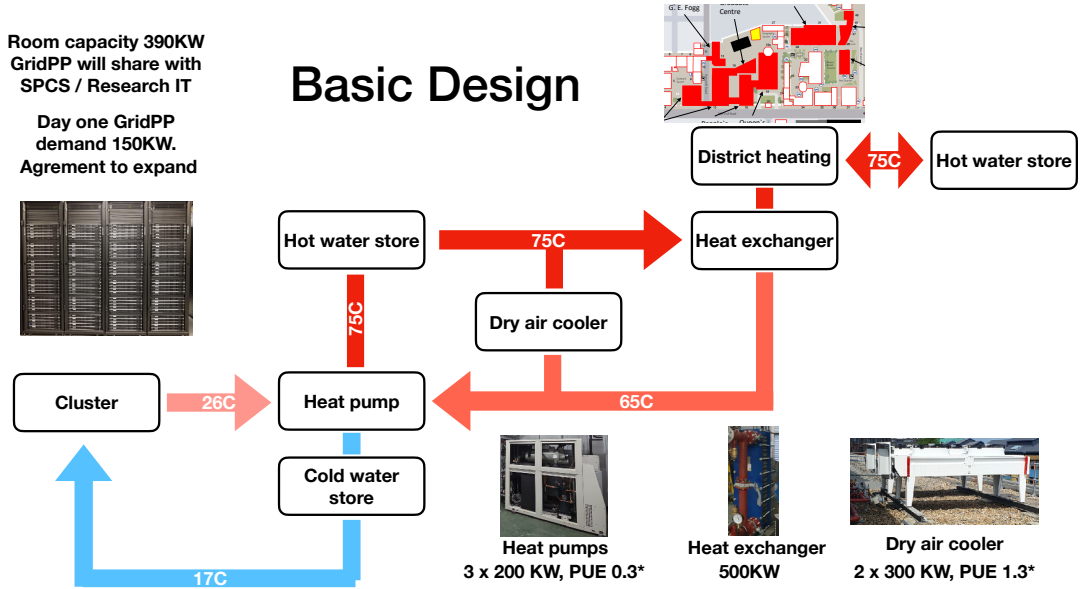

Room capacity 390KW GridPP will share with SPCS / Research IT

Day one GridPP demand 150KW. Agrement to expand

Basic Design

```
                                        District heating  →75C→  Hot water store

   Hot water store  →75C→  Heat exchanger

        75C              Dry air cooler

Cluster  →26C→  Heat pump  ←65C←

         Cold water store
```

Heat pumps
3 x 200 KW, PUE 0.3*

Heat exchanger
500KW

Dry air cooler
2 x 300 KW, PUE 1.3*

17C

*Heat pumps consume apx 30KW for every 100KW transferred
