

# NuPhys2014: Prospects in Neutrino Physics

## Monday 15 December 2014

### Session II - Skeel Lecture theatre (11:10 - 12:40)

-Conveners: S King

time	[id] title	presenter
11:10	[51] Prospects of non-Abelian discrete family symmetries	LUHN, C
11:35	[45] Predicting the Dirac CP Violation Phase in the Lepton Sector	PETCOV, S T
12:00	[46] Direct Neutrino Mass Measurement Present and Future	WEINHEIMER, C
