GRADnet Machine Learning and AI Workshop

Weds 15th / 16th January 2020

Housekeeping Rules

- What to do in case of a fire alarm

- Rest room location

- Refreshments and registration

- Be mindful of trip hazards - people's power supplies for laptops etc.

Expectations of this workshop

- We have a combination of seminar style presentations and hands on tutorials.

  - You are expected to ask questions and interact with the speakers.

  - Likewise you're expected to try out the tutorial exercises and ask questions. Use the time with speakers and demonstrators to learn.

Expectations of this workshop

- Everyone is expected to register at the registration desk; so if you are here and have not registered, please see Joe at lunch to register.

- You will be given a feedback form, and you are all asked to feedback on the event.

  - Please be specific with any praise or criticism; be constructive.

Dinner

Kilikya which is at 44a palmers road , E20TA.
